ANNUAL REPORT OF THE SUPERINTENDENT OF SCHOOLS

To the School Board and citizens of the Hill School District:

I herewith submit my third annual report as your Superintendent of Schools:

Personnel

Mrs. Ruth Rounds, who has taught for many years in Hill, continues to teach grades 1, 2 and 3.

Mrs. Marion Crowley, who has taught in Hill for four years, continues to teach grades 4, 5, 6 and 7.

Mrs. Beatrice Nordholm continues as music teacher a half day each week.

School Finances

The Budget for the year 1957–1958 will be approximately $20,500.00. The major increases this year were made for salaries and tuition.

School Lunch Program

Mrs. Caroline Robie took the lead in establishing a School Lunch Program in the town of Hill this year. This program is a wonderful thing for the children of Hill. I am sure that it will pay dividends in good nutrition and good health for our children. The program is financed through Federal Aid of $ .05 per meal, plus many free foods distributed through the State School Lunch Program office. This money plus individual payments of the children have been meeting the costs of the food, but have not been sufficient to pay for the helper.

I recommend that the School District consider raising money in the School Budget to pay salaries for the workers in the School Lunch Program. It has been my experience that nearly all school districts contribute support to the lunch programs in one way or another. I believe that Hill can best support their School Lunch Program through paying the salaries of the lunch workers. Unless some support is given to the program the problem for soliciting free food and volunteer workers becomes very difficult at times.

Mrs. Robie, Mrs. Geneva Gilbert, Mrs. Clara Miner and Mrs. Eva Woodward should be especially commended for their work establishing the school lunch program in Hill, as well as all those who have so generously donated.

I wish to express my appreciation to the School Board, the school staff, and the people of Hill for their cooperation and support during the last school year.

Respectfully submitted,

RICHARD A. MARTIN

February 4, 1957 Superintendent of Schools
